GENERAL TERMS and CONDITIONS

For clients booking taxi boat with meet&greet or full assistance service

Marco Polo Airport: Clients have to collect their luggage and, after an eventual passport control, get out from custom area. Our driver/assistant will wait for 1 hour after the real landing time of the flight, holding a sign with clients name written on that.

Santa Lucia Railway Station: Clients have to await at the head of the platform where the train arrives. Our driver/assistant will wait for 30 minutes after the real arrival time of the train, always holding a sign with clients' name.

Cruise Port: Clients have to wait near their ship at the scheduled time. Our driver/assistant will wait for 30 minutes after the scheduled time, always holding a sign with clients' name.

Customers are kindly required to contact us to inform if they have problems (lost luggage or anything else) which prevent them from being at the meeting point on time. Equally, they should contact us, who's in charge for the service, in case they don't meet our assistant and/or driver. In these cases, customers are required to contact our office (during office hours), or our emergency numbers for immediate help and assistance.

PICK-UP AT HOTELS FOR DEPARTURE TRANSFERS

Our pick-up time from hotels in city centre to Airports is usually 3,5 (for national and international flights) / 4 hours (for intercontinental flights) prior to flight departure time, while for transfers to Railway stations it is usually 1 hour prior train departure. Sometimes pick-up times can be advanced or postponed in case of special events taking place on that day, or just due to hard traffic conditions. In any case, we will always give the pick-up time when confirming the service reservation. If clients have specific needs for a pick-up time, we have to be informed at least 24 hours in advance (48 hours for transfers on Sundays and Mondays), or even when you book the service, as we cannot manage changes of pick-up times on same days of transfers.

IMPORTANT: Due to traffic conditions, pick-up timetable may have a flexibility of maximum 15 minutes. We kindly ask clients to await patiently in the hotel lobby. Kindly note that NO reimbursement will be granted to any client who is not at the place of pick-up at the established time.

SPECIAL AIRPORTS / RAILWAY STATION TRANSFER SERVICES

Kindly note that our prices include transfer service only to/from main Airport and Rail Station in each city, as follows:

Main Airport: Venice Marco Polo Airport

Main Railway Station: Venice St. Lucia Rail Station

** Transfer rates to different airports and railway stations than those listed above may change. Please always contact our office before confirm it to your customers **

TRANSFER RATES INCLUSIONS

Transfer services include 60 minutes waiting after the real landing time of the flight and 30 minutes waiting after the real arrival time of the train and after arranged pick—up time for clients disembarking from any cruise ship. After that term, if clients have not contacted neither us nor the supplier informing about their delay due to any problem, driver will leave and clients will have to use local public taxis to reach their destination. If our drivers are requested to wait longer than 60 minutes included, a supplement for each extra hour (or part of an hour), will be charged by suppliers to us, and we'll be forced to do the same with you. All transfer services are quoted on the basis of 1 luggage for each passenger. For clients with more than 1 luggage each, we must be informed in advance in order to check if the car size quoted is enough, or if we have to provide a larger vehicle and charge a higher transfer fare accordingly to the car size needed. If clients travel with more than one luggage each without prior notice, they may be charged directly for extra car fee.

LIABILITY

Gartour and Transfer companies are not responsible for any loss of personal valuables, luggage or objects, during transfers or for any loss of personal items which are left on car / minivan / minibus / motorlaunches, or for any damage caused by third parties to personal items during the service.
